

04.07 M: Dimensionality Reduction and PCA

Completion requirements

- Topic: **Dimensionality Reduction**
 - What is dimensionality reduction?
 - Projection (dropping out features)
 - **Principal Component Analysis (PCA)**
- Reading: [PDSH 5.07](#)
- Resources:
 - [Understanding the Mathematics behind Principal Component Analysis](#) (Nikita Sharma, Heartbeat)
 - [Hands-On PCA Data Preprocessing Series. Part I: Scaling Transformers](#) (Kefei Mo, Towards Data Science)
